

4th Kanazawa Bio-AFM Workshop

October 3-6, 2016, Kanazawa, Japan

KKR Hotel Kanazawa

The workshop follows those of Kanazawa in 2007, Osaka in 2009 and Kanazawa in 2012. This workshop will provide an international forum for discussion of the latest development of biological studies by scanning probe microscopy (SPM) and single-molecule techniques as well as of recent advances in SPM and related techniques.

More details can be found at the website:
